

It is with incredible sadness that I announce the passing of our dear friend, teammate and Ashley CC Head Coach, Jim McCall. We have all followed his fight with cancer over the past couple of years and admired his determination not to give up, to keep working and to never lose his unique sense of humour.

He will be terribly, terribly missed by us all.

I have passed on our condolences from all the Ashley CC membership to Jim's wife Jane, his daughter Lauren and the rest of his family.

I will announce details of his funeral as soon as I know them.

I know this will be very upsetting for all our junior members, who knew Jim so well, as well parents and senior players, so if the club can do anything to help, please don't hesitate to contact me or Grace Cavanagh, our Child Welfare Officer. We need to help each other get through the next few weeks and months.
